**RONALDO PINTO RIBEIRO**, already qualified, hereby, oppose his **OBJECTION** to the allegations of duplicate claims and the statement that the obligation was "satisfied", exposing and at the end requiring the following:

At first we have to explain de duplicate claim. We have prepared the claim in paper and send it by mail, but we weren't sure that the request would arrive in time at the Court, that's why we sent a second request (the same) by e-mail.

So, the petitioner doesn't mind that one of them may be excluded, if this wasn't already.

In fact, the obligation has not yet been satisfied, and the author didn't received his payment yet.

Thus, without further delay, the author requires that his payment be made as a matter of urgency and the debtor has no evidence that the payment was made or that the obligation has been honored.

The creditor had his luggage stolen and asks for justice.

Therefore, he asks and waits for approval.

**Case N°: 20-11254 (JLG) - (6068)**

**RONALDO PINTO RIBEIRO**, already qualified, hereby, to inform and request the following:

The defendant, in January of this year, really deposited a lower amount than that requested.

It was deposited R\$31,784.12, copy attached, but the request, in January itself, was R\$35,423.83.

Thus, there is a difference of R\$ 3,639.71 to be paid yet.

Therefore, requires the requested subpoena to deposit the difference in order to satisfy the debt fully and that any previous request to leave the process be ignored until the obligation is fully satisfied.

Asks and waits for approval.
